

What happened to Jeffrey Dupres?

TIM WIDDEN FORENSIC ART

Abducted: Age 3

Now: Age 45*

*Age progression sketch

3-year-old Jeffrey Dupres was abducted from his yard in Slave Lake, AB, in 1980. We are still looking for answers.

We have launched a campaign to revitalize the investigation. Cold cases are notoriously underfunded. But they never grow cold for the family.

This holiday season, give the gift of closure. ♥
